78. **PRESENTATION: DENBIGHSHIRE COUNTY COUNCIL – COUNTRYSIDE SERVICES**

Further to minute no.45(vi) of the meeting of the Finance and General Purposes Committee held on 4th November 2015, the Deputy Mayor welcomed Mr Garry Davies to the meeting and invited him to address Members.

Mr Davies advised that:

- He was one of a team of three covering the whole of North Denbighshire, based in Rhyl, and relied heavily on volunteers from Rhyl and Prestatyn. They also worked with various 'back to work' schemes to provide experience and skills to participants whilst they provided them with much needed help.
- The team looked after nine sites in Rhyl and he gave updates on the following:
 - Harbour – dune and shingle management, which now included an 'access for all' boardwalk that they would be extending through the dunes and also planting Marram grass. Little Terns now nesting at the harbour.
 - Glan Morfa, the former Tip site off Marsh Road – was now transformed into a new woodland, and included the Roundhouse Project – a den building initiative which was due to be completed mid December.
 - The Cut – after asking the community behind the Rhyl Adventure Playground what they wanted there, a coarse fishery had just begun thanks to some external funding and imagination, with no duplication of what is on offer at Brickfield Pond.
 - Ffordd Elan – after asking the community there what they wanted, they gave them a pond to encourage bird life. Still in early stages, but looking very promising.
 - Rhydwen Drive Green Space – would be trying again with this area next year, as there had been little success this year. They were considering urban trees there.
 - West Kinmel Street – this greening and planting project was almost complete and had really lifted the area, and included sustainable natural drainage systems.

- John Street and Fforddlas food planters – with 20 raised beds on offer at each location (all taken on Fforddlas and just eight available on John Street). After some teething problems, things seemed to be moving in the right direction.

Members thanked Mr Davies and his team for the wonderful work they do throughout the town.
