

#### Welcome to Rhyl Town Council

Whether you're a resident or a visitor to the area, welcome to Rhyl Town Council.

We're here to share news and updates from our town and keep you posted about planned developments as Rhyl changes and develops.

With a vibrant, rich sense of community and much to offer the visitor, our town has a proud seaside tradition with exciting plans in the pipeline.

Beaches, culture, and entertainment are a part of our town which is continually evolving.

Rhyl Town Council is here for the people of Rhyl and we're always happy to talk to residents, businesses and visitors. Our website tells you more about how the council works but if you'd like to know more, then do get in touch. We're a very social council too, and you'll find us on [Facebook](#) and [Twitter](#).

## RHYL Town Council has launched a new website aimed at the community and visitors to the town.

Sharing local events and updates, the website has been designed to bring people up-to-date on the council's work.

A dedicated What's On Section promotes Rhyl events with a handy where-to-visit and 'things to do' guide included.

The site also incorporates the council's social media streams and a gallery of images from talented local photographers.

Rhyl Town Council's clerk Gareth Nickels said: "Our website is aimed at a wide audience – sharing our work with the people of Rhyl but also helping visitors find their way around town and pointing them in the direction of things to do and places to visit. The website will be a great platform for us as Rhyl continues to evolve and move forward and as more new developments take shape. Groups or individuals planning an event can also get in touch with us and we can include their activities in our What's On section."

The website - [www.rhyltowncouncil.org.uk](http://www.rhyltowncouncil.org.uk) - has been written by Prestatyn-based PR company Gunsmoke Communications and designed by Caernarfon web design experts Delwedd.
