

Cupid struck not once, not twice, but three times in Rhyl on Valentine's Day.

Shops and businesses showed their love for the town by entering a special competition to mark the day.

Organised by Rhyl Town Council, the *Love Rhyl* window dressing competition saw businesses adorned in a sea of red.

A team of judges from the Town Council judged the businesses. First place went to *For Every Occasion* on Russell Road and second to *Alakazam* on Water Street. Third place was given to *The Fuller Monty*, Wellington Road.

Rhyl Councillor Joan Butterfield said: "The effort and creativity that went into the window designs set our hearts racing. All the displays carried the *Love Rhyl* slogan and the standard was so high that it was tough to make an overall decision. We were delighted to see so many businesses and shops get involved."

The three winning shops all scooped cash prizes with additional prizes given to all who entered.
